

# Mobile Equipment Buggy Whip

## I PURPOSE

The purpose of this policy is to make light duty mobile equipment such as pick-up trucks, vans and service vehicles more visible in areas where they are required to interact with large mobile equipment.

## 2 POLICY REQUIREMENTS

All light duty vehicles in areas where heavy mobile equipment is operated will be equipped with an attached buggy whip which meets the following criteria:

- An attached flag of high visibility color (orange, lime, etc.)
- The flag must be a minimum of 10 feet above the ground
- The flag size will be a minimum of 36 square inches of high visibility material with a reflective X on the flag. A light on top of the whip may be used in conjunction with the reflective material but should not be substituted for it.
